With the year having come to an end, we congratulate Michael McCann on a great win coming from behind to win the 2015 Remnants CC Fantasy League. With 3 weeks to go he needed some good performances and they came in the form of Andy, Dan and Ferdi before 3 washouts gifted him the win. It was a very close year, as shown by the top 8 places being separated by approximately 600 points, with a very strong 2nd place in Catherine, who was extremely consistent throughout the season. At the other end of the table it was a shocking year for Ferdi who was out of it from week 1 after only 4 of his 12 players played.

In terms of individual performances, 4 players stood out from the rest. With a tally of 73 wickets and over 350 runs it is hardly surprising that Alec, Dan, Faruk and Felix were at the top with Alec claiming the captaincy of the dream team.

Thanks to everyone who has taken part and prizes will be issued once fees have been collected.

Have a good break!
